To focus effort where it is most needed, four priorities have been identified for the entire Victorian government school system. The four priorities are:

- Excellence in teaching and learning
- Professional leadership
- Positive climate for learning
- Community engagement in learning.

Six evidence-based initiatives assist schools to identify and utilise the most effective, relevant and evidence-based strategies that when implemented with consistency and depth help drive improved student outcomes. The initiatives are associated with the four state-wide priorities, in the following way (please refer to the Framework for Improving Student Outcomes: Guidelines for schools):

<table>
<thead>
<tr>
<th>Priority</th>
<th>Initiatives</th>
</tr>
</thead>
<tbody>
<tr>
<td>Excellence in teaching and learning</td>
<td>Building practice excellence: Teachers, principals and schools will work together</td>
</tr>
<tr>
<td></td>
<td>Curriculum planning and assessment: School will embed a culture of curriculum planning, and assess the impact of learning programs, adjusting them to suit individual student needs</td>
</tr>
<tr>
<td>Professional leadership</td>
<td>Building leadership teams: Schools will strengthen their succession planning, develop the capabilities of their leadership teams in using evidence</td>
</tr>
<tr>
<td>Positive climate for learning</td>
<td>Empowering students and building school pride: Schools will develop approaches that give students a greater say</td>
</tr>
<tr>
<td></td>
<td>Setting expectations and promoting inclusion: Schools will work across their communities to implement support to health, wellbeing, inclusion and engagement of all students</td>
</tr>
<tr>
<td>Community engagement in learning</td>
<td>Building communities: Schools will strengthen their capacity to build relationships with the broader community by partnering</td>
</tr>
</tbody>
</table>

To guide the development of the 2016 Annual Implementation Plan: for Improving Student Outcomes (AIP) schools will work with support from Senior Education Improvement Leaders (SEIL) to conduct an annual evaluation of student outcomes data against the targets set in their School Strategic Plan. Schools then diagnose the issues requiring particular attention and select one or more initiative.

Principal and teacher performance and development plans include explicit links with the AIP and the School Strategic Plan. This ensures a line of sight from school improvement priorities and initiatives to each individual’s plan. The Guidelines provide further context and detailed information to support this work.
Summary page: the school’s priorities and initiatives

Tick the initiative/s that the school will address in its Annual Implementation Plan: for Improving Student Outcomes.

Initiatives Rationale:

Explain why the school, in consultation with the SEIL, has selected this initiative/s. Please make reference to the evaluation of school data, the progress against SSP targets, and the diagnosis of issues requiring particular attention.

The Strategic Plan for 2016 – 2019 will be developed in Term 1, 2016.

The school currently has four leading teachers whose positions are role based and limited to a coordinator of teaching and learning and three Heads of Sub school.

The development of a new distributed leadership model will develop leadership capacity of staff, build a culture of improvement and enable the college to work towards achieving the goals of the next strategic plan. This will create a collective responsibility for developing a clear understanding of the school’s vision, values and priorities for school improvement. The leadership model will match school priorities and enable the school to focus on future leaders.

An evaluation of school data and practice indicates a need to focus on developing a differentiated curriculum that is documented within a scope and sequence to enable students to demonstrate learning growth. Particular attention will be given to Maths, Science and Reading. The NAPLAN school mean for Year 7 and Year 9 Numeracy has been below state mean for 5 years. Resources will be allocated to support a numeracy program. School data shows the school is below State threshold in Science. NAPLAN reading data shows the school is below state mean at Year 7 for 3 years and at Year 9 for 2 years.

Key Improvement Strategies (KIS)
List the KIS that are linked to this initiative/s and will be scaled up. This could include existing KIS from your SSP or new ones identified through the evaluation of student outcomes against SSP targets and the diagnosis of issues requiring particular attention. KIS may be specific to one outcome area or applicable across several areas.

<th>KIS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Curriculum planning and assessment</td>
<td>• Develop and embed a shared 21st century school vision for girls’ education that underpins school improvement.</td>
</tr>
<tr>
<td></td>
<td>• Provide intervention strategies to support learning growth</td>
</tr>
<tr>
<td></td>
<td>• Promote greater opportunities for students to give and receive feedback, to set individual goals, to reflect, to evaluate and take ownership of their learning</td>
</tr>
<tr>
<td></td>
<td>• Refine and implement transition and pathway programs</td>
</tr>
<tr>
<td></td>
<td>• Develop strategies to enhance STEM (science, technology, engineering and mathematics)</td>
</tr>
<tr>
<td></td>
<td>• Further develop and embed school programs to enhance student wellbeing</td>
</tr>
<tr>
<td>Building leadership teams</td>
<td>• Develop and embed school values that reflect community expectations and provide a framework for relationships and actions within the school community</td>
</tr>
<tr>
<td></td>
<td>• Grow instructional leadership and teacher capacity within a professional learning community</td>
</tr>
<tr>
<td></td>
<td>• Implement improved communication processes and build partnerships with parents and the wider community</td>
</tr>
<tr>
<td></td>
<td>• Develop a leadership model that creates a strong, distributed leadership team and builds leadership capacity</td>
</tr>
<tr>
<td></td>
<td>• Build a professional learning culture within the school</td>
</tr>
</tbody>
</table>
**Annual Implementation Plan: for Improving Student Outcomes**

### ACHIEVEMENT

#### Goals
To develop aspiring learners who achieve at or above predicted levels of growth.
To have more students excelling in the VCE.
To promote VCAL as a viable pathway for senior students.
To have more students achieve satisfactory completion of VCAL.

#### Targets
- Increase the percentage of students achieving above the expected level in assessments by 5% (teacher judgements against Victorian Curriculum, year 9 NAPLAN).
- Increase the percentage achieving high growth and decrease the percentage achieving low growth by 5% on NAPLAN relative growth assessments year 7 to 9.
- Improve VCE scores (e.g. All Study, Maths Methods, Physics, Chemistry).

#### 12 month targets
- Increase the percentage achieving high growth and decrease the percentage achieving low growth by 2% on NAPLAN relative growth assessments year 7 to 9.
- Improve VCE study scores in Mathematical Methods (2015 Mean study score 26.89), Further Mathematics (2015 Mean study score 24.96) and Chemistry (2015 Mean study score 24.89).
- Extend VCAL program provision to Intermediate level in 2017.

</tr>
</tbody>
</table>

### Provide intervention strategies to support learning growth
- Further develop Numeracy and Literacy support programs
- Extend provision of EAL

- Establish Maths teams at Year 7 and 8
- Develop a Maths improvement strategy and implement actions from strategy
- Focus on learning how to teach vocabulary for Literacy program
- Establish reading program at Years 7 and 8
- Extend Literacy support and VCAL provision to Year 9
- Prepare for EAL provision for Year 10
- Establish role for literacy support teachers
- Equity funding
- Catch up funding
- Designated resources for Literacy and Numeracy
- Cross curricula projects in VCAL
- Develop Intermediate VCAL program

- Principal Team
- Maths Learning area leader
- Maths teachers
- Literacy coordinators
- English teachers
- Literacy support teachers

By end of 2016 | Maths improvement strategy developed and implemented Reading program established for Year 7 and 8 with tools developed to measure success of program. Curriculum day programs incorporate vocabulary workshops with evidence of implementation of strategies in Learning areas Literacy program established for Year 9 EAL timetabled and course developed for Year 9 EAL program for Year 10 ready for implementation in 2017 Intermediate VCAL implemented for 2017
## ENGAGEMENT

### Goals
To strengthen student voice in their learning and develop creative, curious and motivated learners.

### Targets
- Improve Attitudes to School survey data in relation to teaching and learning variables (student motivation, stimulating learning, learning confidence, teacher effectiveness)
- Improve student attendance (years 8&9)
- Increase the proportion transitioning to further education and training.

12 month targets
- Improve student survey data in relation to stimulating learning (2015 mean score 2.98) and teacher effectiveness (2015 mean score 3.47)
- Reduce the mean school level of unexplained absences from 9.73 to 7.0 days

</thead>
</table>
| Promote greater opportunities for students to give and receive feedback, to set individual goals, to reflect, to evaluate and take ownership of their learning | • Explore the concept of student voice  
• Explore options for increased frequency of reporting  
• Implement and review Homework policy  
• Implement and review Assessment and Reporting policy  
• Investigate use of Compass for learning tasks  
• Explore options for increased feedback to staff from students and from staff to students  
• Investigate use of PAT testing  
• Promote use of learning data and develop data literacy | Professional Learning at Education Committee and staff meetings  
Leadership team meetings  
Education Committee meetings  
Access to school and external assessment methods and data | Principal Team  
Teaching and Learning leader  
Education committee  
Assessment, Reporting and Tracking Coordinator | By end of 2016 | A definition of student voice developed for inclusion in protocols for teaching and learning for 2017  
Reporting options presented to Education Committee  
Policies reviewed with recommendations made for 2017  
Staff able to understand, interpret and analyse a range of data to improve teaching and learning  
Attitudes to school data shows improvement in teaching and learning variables |
| Refine and implement transition and pathway programs | • Develop a model for in school transition to enhance learning confidence and motivation.  
• Support development of pathways provision.  
• Explore expansion of VET options | Leadership Team meetings  
Consultative Committee meetings  
Learning area meetings | Leadership Team  
Consultative Committee  
Vocational education coordinator  
Learning Area leaders and staff | By end of 2016 | Purpose, focus and desired outcomes for transition model defined  
Transition model developed and implemented for review in 2017  
VET program options presented for discussion |
| Develop strategies to enhance STEAM (science, technology, engineering, arts and mathematics) | • Partnership with La Trobe University  
• Partnership with RMIT  
• Explore further opportunities for enhancement of STEAM  
• Trial Education Perfect testing program | Seek out opportunities for staff and student engagement in Latrobe University and RMIT programs  
Access to tertiary institutions, specialist providers and professionals within STEAM | Principal team  
Science, Maths, Technology and Arts Learning areas  
Vocational Education Coordinator | By end of 2016 | Agreement established with Latrobe University and programs undertaken  
STEAM enhancement options outlined |
## Annual Implementation Plan: for Improving Student Outcomes

### WELLBEING

#### Goals
- To build student resilience and develop positive, confident and competent learners.

#### Targets
- Improve Attitudes to School survey data related to connectedness to school
- Improve Staff survey data related to school climate variables: parent and community involvement, trust in students and parents
- Improve Parent Opinion survey data related to parent input, student behaviour, student safety

#### 12 month targets
- Improve student survey data in relation to school connectedness (2015 Mean score 3.60)

## Annual Implementation Plan: for Improving Student Outcomes

### PRODUCTIVITY

**Goals**

To maximise school resources (human, financial, time, space and materials) to enable optimum implementation of school goals and priorities.

**Targets**

- Improved Staff opinion of professional learning with 5% increase in endorsement
- Improved Parent opinion of school improvement
- Improved Staff opinion of parental and community involvement
- Improvement in Student achievement data linked to resourcing priorities
- Improve collective responsibility for learning

**12 month targets**

- Development of a leadership model to build leadership capacity and achieve strategic plan goals
- Improvement in Staff opinion of parent and community involvement (2015 Prin/teach score 48.56)
